*Would you like to study abroad
with financial support?*

The **University of Applied Sciences Münster**, Germany, is a much respected, innovative partner - not only throughout Germany, but also on international level. Backed by a network of strategic partnerships, it is continually consolidating its leading position by committing itself to providing education, knowledge and research transfer on a long-term basis.

Our University is offering a 4-semester graduate program in German language leading to the degree of **Master in International Management**. The program is organized in two specializations: "Marketing, Sales & CRM" and "Finance, Taxes and Accounting".

A limited number of fellowships are available for interested and qualified students starting in March, 2010. The fellowship grant covers a monthly stipend of 920 € and additionally 1000 € for disturbance allowance and 1000 € for one home visit.

Applicants must meet the following requirements:

- Bachelor degree in Business Administration/Economics
- Very good course achievements
- Financial need
- Very good knowledge of the German language
- Very good knowledge of the English language

Applications should include the following documents:

Copy Bachelor degree certificate and grades achieved

Letter of motivation

CV

Proof of German (and English) proficiency

Letter of recommendation by a professor

Deadline for submission of complete application is December 18, 2009.
